15th Dec., 2021

I am happy to know that India International Textile Machinery Exhibitions Society is organizing the 11th edition of ITME 2022 from 8th to 13th December 2022 at New Delhi.

The Society is serving the Textile Engineering Industry Since 1980, as a single platform for Global and Indian manufacturers. I am sure that the exhibition will be beneficiary to all concerned. I extend my best wishes and wish a grand success to ITME 2022.
